Hello, everyone, this is Miyamoto Kano. Thank you for buying this booklet. It was Hikaru and Yuki's story... and then it became a story about Yuki and an alien... I'd be happy if you enjoyed it at least a little. If I get the chance, I'd like to continue Rules in some form. Will it be Hikaru's story next? If you'd like, please keep following along. For more information, see my homepage.
